

Chris Maze

Welcome to Pescanova USA,
one of the top 50 seafood commerce companies in the Americas.

For decades, our customers have been our priority and everything we do is designed to deliver them an exceptional product: Quality, Sustainable, Healthy seafood that exceeds expectations. Pescanova Seafood Tapas delivers the best product because we control every aspect in the production and distribution chain, from Origin to Market.

We operate our own aquaculture farms, our own fishing fleets and our own processing plants and worldwide distribution network.

Pescanova Seafood Tapas is a vertically integrated seafood company that focus on consumer convenience.

On this 2019 Edition of Seafood Expo North America we are happy to launch a new retail range of products. Come visit us at Booth # 1021.
